

CDLC Gazette December 2024

Letter from the Director

As we begin our journey to Christmas, we thank God for the many blessings of our CDLC families, CDLC staff and Prince of Peace. Jesus is the reason for the season, long ago a little boy was born in a manger who was brought here to save the world. This brings to mind those less fortunate than ourselves and pray that they may find some joy this Advent season. This month we will be encouraging giving and sharing with our students. Mission Outpost will be collecting new to gently used blankets. If you have one you would like to donate, please send it to school with your child. We will bring them all down to Mission Outpost together so the kids can see where their donations are going and the impact they are making. In the month of December, we're excited to share the festivities, learning experiences and all the excitement that brings with all of your kids. This month, our classrooms will be filled with winter wonder, holiday songs, creative crafts, math, history, science and so much more as we celebrate the magic of the season. From all of us at CDLC, we hope your family has a Christmas filled with joy and peace. Kim
