Children Are a Gift from God
by Sandra Tolson

God sent me three packages
That needed special care
"Take care of these tiny gifts
For they are very rare."

"Watch over them with all your love
And let them feel your touch
Take care of their every need
For you are needed very much."

"These gifts will grow up very fast
As you soon will see
Love them with all your heart
And let them be what they will be."

"When these gifts have fully grown
Look at Heaven up above
Know they exist because of God
And all his precious love."

SICK CHILD POLICY

If your child cannot participate in daily

activities including outdoor play due to the following symptoms, he must be kept at home:

1. Unexplained lethargy
2. Vomiting two or more times that day
3. Fever
4. Drainage from eyes/ears
5. Lice, ringworm (must be treated before a child may return)
6. Bacterial infections such as strep and has not completed 24 hours of antibiotic treatment
7. Three or more loose stools that day
8. Undiagnosed rash
9. Significant respiratory distress
10. Chicken pox unless the lesions are all crusted over
11. Requires more care than staff can provide without compromising health and safety of other children

The above symptoms have been established by the Department of Human Services with concern for the health and welfare of all children. Please help us keep illness to a minimum by being aware of these symptoms and keeping your child home if he/she comes down with any of them.

If the symptoms occur, parents will be notified to pick up their child from school. We have a cot and an area where the child may rest until his parent or other authorized person can pick him up.

Please inform the school if your child will not be present. Parents must notify C.D.L.C. within 24 hours when a child has contracted a contagious disease.
