

CDLC Gazette – November 2023

Letter from the Director

Sunny autumn days at school have been filled with leaf scavenger hunts and playing in the leaves. As the weather changes, CDLC will be focusing on being thankful. I am grateful and thankful you have shared your children with CDLC. Thank you for all of your support of our school and staff. I am thankful for an outstanding caring staff that has been supportive and patient. We wish you a blessed Thanksgiving.

Drop Off & Pickup Concerns

Have your child ready to get out of the car, coat on and seat belt off with "Have a great day!" hugs and kisses given. This keeps the line moving smoothly. Also, in cold weather, this helps our staff and volunteers from freezing! You may walk your child into school if you prefer.

Please have your child's car seat situated on the passenger side of the car. This keeps children safer as we do not want children walking between cars.

Siblings should not be left in cars while parents walk in to drop off children.

At pickup time, please pull ahead out of the pickup line to buckle your child into their car seat. This will help keep the line moving quickly and smoothly.

Thank you for helping us keep drop off and pickup times safe and efficient, it is much appreciated!

Playground

We will be going outside every day possible. Be sure to send your child in play clothes, appropriate footwear and warm jackets and accessories when needed!

Label - Label - Label

Please be sure to label any notes with your child's name, teacher and session they attend. Clothing, jackets, hats, backpacks, etc., should also be labeled with your child's name as this will help alleviate any confusion. Thank you!

School Closings

If the weather is not safe for travel, CDLC will close school. Closures will be announced on KSTP Channel 5, via email & the brightwheel app.
