## I Did Nothing Today

Author Unknown

When children come home at the end of the day,  
The question they're asked as they run out to play  
Is "Tell me what did you do today?"  
And the answer they give makes you sigh with dismay.

"Nothing, I did nothing today!"

Perhaps "Nothing" means that I read a book,

Or...with a teacher I got to cook.

Maybe I painted a picture of blue,

Or heard a story of a mouse that flew.

Maybe I wrote in my journal myself,

Or found a great book on the library shelf.

Maybe I helped a friend today,

Or went to my favorite area alone,

Maybe today was the very first time

That my scissors followed a very straight line,

Maybe I sang a song right to the end,

Or worked with a special brand new friend.

When you're three, four, or five your heart has wings

And "Nothing" can mean so many things
